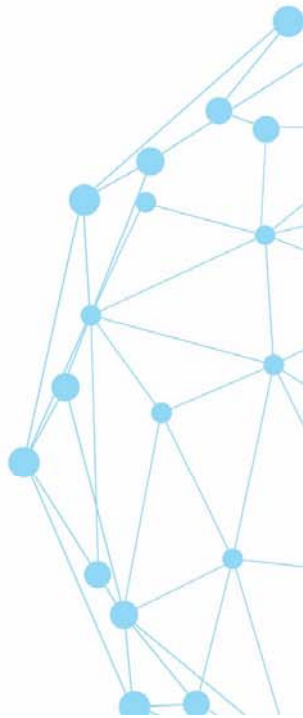
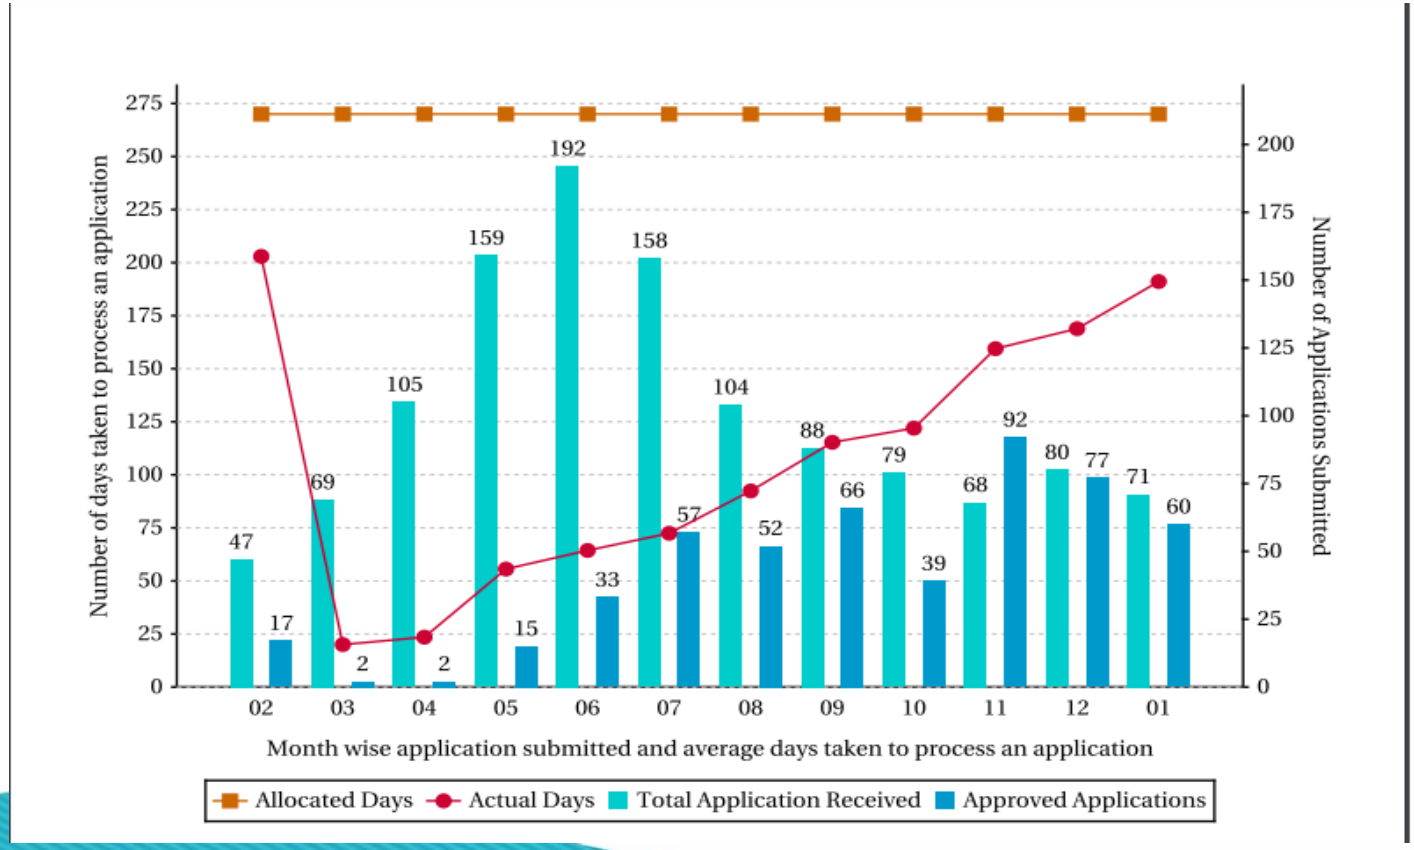
IMPACT on CDSCO and Industry



Indian
Pharmaceutical
Alliance

Impact on timelines



Indian
Pharmaceutical
Alliance

Impact-CDSCO

- Reduced human interface
- Prescreening of applications
  - Not necessary
  - Officers utilised for other work
  - Digital licences
- Tracking of applications
- Clock showing the remaining time left for processing of each application
- Alerts to the supervising officer if timeline exceeded
- Ecofriendly
  - Millions of paper saved

Indian
Pharmaceutical
Alliance

Impact -Industry

- Reduced human interface with the regulator
  - Tracking
  - Digital licences/permissions/NoC's
  - Online queries
- Relocation/reduction of the staff
- Dashboard provides the history of all the activities
- Creation of sub-logins
  - The sites can make their applications
- Approvals published on homepage
- Intelligent search option for approvals
